

Are you a Youth or Teen Services Librarian with an interest in teen services, collaboration, connected learning, and developing leadership skills?

Do you have a flexible schedule and the capacity to work on a statewide training project?

Do you know someone who is all of the above?

Contact us by May 1, 2019 to be considered as a trainer in our application to participate in “Transforming Teen Services: a Train the Trainer Approach” implemented by YALSA in partnership with the Chief Officers of State Library Agencies through June 30, 2021. This project is supported by a grant from the Institute of Museum and Library Services.
